### Clothing Collections

This is a great opportunity to have a sort out and do some good at the same time! As part of Green Week, we are encouraging people to get rid of their unwanted clothes & belongings. If you have anything that you don't want anymore but is still in good condition, please bring it in. There will be collections throughout green week, and a collection bucket at the front of school during the day. All donations will be passed on to a charity, as voted for by you.

Don't forget...
