Watoto Children's Choir

WATOTO MEANS ... "THE CHILDREN"

Since 1994 Watoto Children's Choirs have toured internationally spreading a message of hope for Africa's children. The choir presents Watoto's vision and mission through their music and dance, which is an energetic fusion of contemporary gospel and traditional African rhythm. The children are among 1.8* million boys and girls in Uganda who have had the tragic experience of losing one or both of their parents to AIDS or war. Now through their inspiring performances, the Watoto Children's Choir is moving the hearts of people around the world as they share their stories of joy and hope. "Concerts of Hope" are a colorful and lively demonstration of the life-changing love of God experienced by the children of Watoto. Audiences are informed of the plight of Africa's needy children and given an opportunity to support the vital work of Watoto in Uganda.

Watoto's Mission

OUR MISSION

In Africa, there are 60 million orphaned and vulnerable children. Watoto is a holistic programme targeted towards meeting the essential needs of parentless children. Our purpose is to provide spiritual, physical, educational and emotional care for every child so that each one will become a responsible Christian and productive citizen of Uganda. We are currently caring for over 1,500 children, with a goal to care for 10,000 children.
