## Teacher of Physics

Full Time / Part-time  
UPS / MPS - NQT applications welcome

Required September 2021

We are a highly successful, community mixed comprehensive school with Teaching School status in a pleasant rural setting only 5 miles from the centre of Cambridge. We currently have around 1800 11-18 pupils on roll including our sixth form centre that opened in September 2011.

Our pupils are well motivated, staff morale is excellent and examination results at KS4 are outstanding: in summer 2019 the total grades at 9-7/A\*-A were 48%, 9-4/A\*-C were 87% with 83% of pupils achieving at least a grade 4 in English and maths. Our Progress 8 figure in 2018 was +0.56 which placed us amongst the best secondary schools in the country. At KS5, the Sixth Form's results are in the top 5% nationally for student progress made against predictors, with 31% of all grades in 2019 at A\*/A grades. The school has consistently been rated by Ofsted as Outstanding over very many years.

We are seeking to appoint an excellent teacher to join our vibrant and friendly Science department. The department has and continues to have a strong reputation for the delivery of science at all key stages. At KS4 and KS5, teachers typically teach in their specialist areas, and across all sciences at KS3. There is also the opportunity to teach KS5 BTEC. The physics team has developed its own schemes of work at all key stages to deliver an inspiring physics curriculum. The science department and physics team are a friendly, collaborative and hard working group of teachers and technicians, who all share a common enthusiasm for science and students' education.

For further details and an application form please visit our website [www.combertonvc.org](http://www.combertonvc.org).
