Comberton Village College Careers programme

Year 7 Careers programme objectives

- To introduce pupils to employability and life skills and apply them in a specific project within a school environment.
- To give pupils an understanding of today's work environment and the pathways to getting there through contact with various employers, including apprenticeships and technical pathways.
- To educate pupils through the curriculum on careers and the wider world.

Year 8 Careers programme objectives

- To give pupils the opportunity to apply their newly acquired employability skills to a specific project in a classroom environment.
- To give pupils an understanding of today's work environment through contact with various employers, including apprenticeships and technical pathways.
- To educate pupils through the curriculum on careers and the wider world.

Year 9 Careers programme objectives

- To provide each pupil with information about GCSE option choices and the implication of those choices on their future.
- To provide pupils with 1:1 guidance meetings to help them decide on option choices.
- To educate pupils through the curriculum on careers and the wider world.

Year 10 Careers programme objectives

- To encourage pupils to use their employability skills to find and complete a work experience placement.
- To provide pupils with opportunities to learn from/talk to employers about work, employment, the skills valued in the workplace and today's labour market.
- To educate pupils through the curriculum on careers and the wider world.

Year 11 Careers programme objectives

- To inform pupils about the full range of learning opportunities available to them post 16, including apprenticeships and technical pathways.
- To provide pupils with 1:1 guidance meetings to help them decide on post 16 pathways.
- To educate pupils through the curriculum on careers and the wider world.

Further details about each years career programmes and career events can be found on each of the year groups careers curriculum pages.
