Comberton Village College is looking to appoint a Cover Supervisor to support our teaching team and facilitate the smooth and effective delivery of the curriculum across all subject areas. The role of a Cover Supervisor demands initiative and flexibility.

Your focus will be on supporting progress by providing classroom supervision for students whose regular teacher is absent. You will be expected to deliver pre-planned learning activities and establish productive working relationships with students in a stimulating and orderly learning environment.

For suitably qualified individuals this could also include supervision of physical education lessons and an ability to cover our medical room would be advantageous (training can be provided, where necessary). Experience of supervising young people within a similar setting is essential as is the ability to safely manage classroom activities.

This is an excellent opportunity for an individual looking to gain experience working with secondary age children and would be an ideal position for someone looking to develop valuable skills towards a possible teaching career in the future.
