

Comberton Village College
West Street
Comberton
Cambridgeshire
CB23 7DU

IT Technician
Scale 3, Point 14-17 £ 17,681 - £18,672 FTE
37 hours per week, full time or term time only

Comberton Village College is consistently rated “Outstanding” by Ofsted and is a vibrant and busy place to work.

We are looking to appoint an IT Technician who has an interest in IT and is willing to work in a school that is always looking to push the boundaries of technology. We have been working towards a ‘Cloud First’ strategy which means that the successful candidate will be working in an environment that allows them to spend more time working with new technology. We have a large 5000 user office 365 tenant which the individual will be helping to manage and support, along with the day to day support of students and staff.

Ideally you will have had some experience of working in an IT Support environment from any industry however this is not essential so long as you can demonstrate you have spent a lot of time working on computers personally. Support of Windows computers is essential.

To apply for this position please submit a completed application form and covering letter to Mrs L Atherton, HR Manager. Further information and application forms can be found on the College website www.combertonvc.org . Please note, we do not accept CVs.

Closing date for applications is 9am on Tuesday 26th March 2019.

The Governing Body is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An Enhanced DBS (Disclosure and Barring Service) check will be carried out for the successful candidate.
