

APPLICATION FOR AN INTERNATIONAL BURSARY

Comberton Village College strongly believes in the principle that all pupils should have the opportunity to experience a minimum of one international trip as part of their education at CVC, regardless of their financial background. Because of this, the International Bursary Fund has been established with the aim of providing financial assistance. There are two criteria: firstly, families must be able to evidence a clear financial need; secondly, pupils must not have been on an international trip through the school before.

A clear financial need might include at least one of the following bullet points below:

- Be a young person in care
- Be a disabled young person in receipt of Disability Living Allowance.
- Be eligible for Free School Meals
- Be from a household whose income is below £20817 per annum (up to 100% of the maximum grant)
- Be from a household whose income is below £24000 per annum (up to 50% of the maximum grant)
- Have been affected by a sudden exceptional change in financial circumstances

If you feel that your child would benefit from participating in an international trip and you are eligible for financial support from the International Bursary, please complete the form below and return it to Mr Carrick in a sealed envelope. All applications will be dealt with in confidence and will be considered on an individual basis.
