

# SAFEGUARDING news

AUTUMN 2021

## Peer on Peer Abuse

Many of you may be aware of the publicity surrounding the 'Everyone's Invited' campaign earlier this year and of the subsequent Ofsted report. We are working hard in our response to this important issue.

As part of our school approach, we are asking all students to complete the survey below. This will allow us to better understand the extent to which the students are aware of and affected by peer-on-peer harassment and abuse.

We are also keen to learn parents' views on this and ask you to please complete the parent survey below.

**Deadline is FRIDAY 5<sup>TH</sup> NOVEMBER 2021**

## IT'S NOT BANTER!

New data from the police and the 'Everyone's Invited' campaign has revealed that many young people are subject to unwanted, sexualised harassment from their peers. With online use by our children increasing, is social media and pornography to blame? Please take some time to watch the recent Panorama report.

### WHO'S PROTECTING OUR KIDS?

If you have any concerns, email [safeguarding@combertonvc.org](mailto:safeguarding@combertonvc.org)

## Student Support

As previously stated in our weekly bulletin, the highest level of safeguarding concerns being raised in school by teachers, so far this term, is for student wellbeing. Please be aware that we offer many sources of support in school for students. If you are struggling or know someone that is, and need some advice, please speak to your Tutor, Head of Year or email [studentsupport@combertonvc.org](mailto:studentsupport@combertonvc.org)

**Have a Happy Halloween and stay safe**

Please remember:

- Not everyone wishes to celebrate so please avoid trick-or-treating on houses with no Halloween decorations.
- Some shops will operate a restriction on the sale of flour and eggs to help reduce criminal damage and anti-social behaviour - please respect this.
