

## Sizzling Summer Trends

Chiara & Sasha

### #1 Casual

This style represents an elegant yet comfortable outfit. It mainly consists of jeans, a simple t-shirt and trainers. It is sometimes paired with a jacket to dress it up.

It can be easily pulled off by anyone no matter what shape and age they are. This style has become much more popular over the years due to its diversity.

This style can be seen in high street shops such as Topshop, New Look, River Island, H&M etc.

### #2 Bohemian Boho

This style represents a laid-back, fun, flowy and free outfit. It consists of loose tops, long floaty dresses.

Some people wear this style on a daily basis, whereas others would wear it to festivals only such as Coachella. This shows that this style is very diverse.

This style can be seen in shops such as Floryday, Anthropologie, Topshop, French Connection and Elvi etc.

### #3 Rocker

This style is an edgy alternative look. It mainly consists of all black leather jackets, jeans, tops, shoes and accessories.

Some people wear this look every day, however others only wear it to different occasions like concerts.

### #4 Tom Boy

This style represents a male twist on a casual outfit. It mainly consists of slouchy jumpers, laid back jeans or tracksuit bottoms, casual trainers and neutral colours such as grey, blue, nude, white and black.

This is a very achievable look due to its simplicity. It is an everyday look to most people, and worn to run errands, go to the shops etc.

This style can be seen in many high streets shops such as Topshop, New Look, H&M etc.
