

Stationery Shop Price List

The school library operates a shop selling stationery to students and staff. We are open 8.00am-4.00pm daily and students can purchase at any time outside of lessons.

Items are paid for via cashless-catering cards. Please ensure you have enough money available on your card to buy food as well as make stationery purchases.

Items in **red** must be paid for in advance via ParentPay. These can be collected from the library once payment has cleared.

Items in **blue** are for sale only while stocks last.

Students entitled to Pupil Premium (Free School Meals), should speak to a Librarian about any stationery they may need.
