Welcome from the CEO

We are delighted you are interested in joining one of the Academies in our Trust.

The Cam Academy Trust is a community of schools in and near South Cambridgeshire and Huntingdon which offers 'Excellence for All' students from aged 3 to 18 in 11 schools incorporating pre-school, primary phase, secondary and sixth forms.

School years are a critical period of all our lives as we develop the skills, knowledge and behaviours needed to become successful members of our communities. We want all young people proceeding through all our schools to become capable, caring and confident.

All within The Cam Academy Trust are committed to giving all our pupils the very best grounding that we can through exceptional teaching and learning and outstanding pastoral support.

Each of our academies has its own Principal or Headteacher who works with their own team of high-quality staff and these staff also work with each other to share best practice to ensure our pupils are well educated and well cared for.

Our over-arching purpose is simple: we want to secure educational excellence for all with our Academies working at the heart of and serving their local communities.

About our Trust

The Cam Academy Trust, originally The Comberton Academy Trust, was formed in 2011 to oversee the conversion of Comberton Village College to academy status in the first instance. With growing emphasis on academies working together in formal partnerships, the Trust quickly changed to become a multi-academy trust so that more schools could join and work closely with us.

As this partnership developed it was only right that the name changed with it as further schools/academies joined, including from the primary as well as secondary phase of education. The Comberton Academy Trust was renamed 'The Cam Academy Trust' – a clear statement that the Trust is greater than the sum of its parts.

The Trust currently comprises seven primary phase schools and four secondary schools, two with Sixth Forms. We are excited that a third Sixth Form is due to open at Cambourne Village College in 2023.

Our Primary phase schools are: Everton Heath Primary School (just inside Bedfordshire), Gamlingay Village Primary, Jeavons Wood Primary School, Cambourne, Offord Primary School, Offord D'Arcy, Hartford Infant and Pre-School, Hartford Junior School and Thongsley Fields Primary and Nursery School, Huntingdon. Bourn Primary Academy joined as the first Associate Member in 2021.

Our Secondary schools are: Comberton Village College (and Comberton Sixth Form), Cambourne Village College, Melbourn Village College and St Peter's School (and Sixth Form), Huntingdon.

The Trust strives for 'Excellence for All' and at the heart of this are six core principles which drive everything it does.

These are:

The Excellence Principle – Education must be of the very highest standard

The Comprehensive Principle – Education must be for all kinds and abilities

The Broad Education Principle – Education must incorporate a broad range of subject areas and personal development

The Community Principle – Every Academy must be at the heart of its local community and serve it well

The Partnership Principle – Each Academy must seek to work positively in partnership with others for mutual benefit

The International Principle – The curriculum inside and outside the classroom must have a clear international dimension.

Our Schools

Comberton Village College & Comberton Sixth Form

Comberton Village College is a thriving community of approximately 1800 students, including 500 in the Sixth Form which was added to the school in 2011.

It was established in 1960 as part of Henry Morris' vision for schools being village colleges at the heart of their community and not just places for children to learn. It has a vibrant Adult Education department as well as an on-site Sports and Arts Centre, including a full-size artificial football pitch and spacious performance hall. Current improvements to the much-extended site include the installation of a £multi-million ground-source heat pump to move away from the use of oil.

Cambourne Village College

Cambourne Village College opened as a Free School in 2013 as the first new village college in Cambridgeshire for 30 years. It serves the community of Cambourne, a group of villages located between Cambridge and St Neots.

It has been repeatedly grown since its inception and now has plans for further expansion to include a sixth form from 2023 and further capacity to match growing demand for families moving into Cambourne West, the fourth of the villages it serves. It, too, offers extensive arts and sports facilities for community use.

It was the first school in the Trust to equip its students with iPads, an initiative now being rolled out across the Trust.

Melbourn Village College

MELBOURN
VILLAGE COLLEGE

Melbourn Village College is the smallest and oldest of the village colleges in the CAT community. With around 600 students in Years 7-11, it still offers an innovative curriculum with Mandarin taught to all from Year 7 with the option to take the language at GCSE level and, recently, at A Level in conjunction with Comberton Sixth Form.

Melbourn is undergoing considerable investment and improvement with a new artificial pitch that opened in late 2021 and work due to start on upgrading classrooms in summer 2022.

St Peter's School, Huntingdon

St Peter's School is located in the heart of Huntingdon and offers a nurturing and supportive environment for around 1200 students from a diverse multi-cultural catchment.

The school joined the Trust in 2016 and has undergone significant change with Ofsted now rating it as a 'Good' school. There has also been major investment in its buildings and infrastructure with a complete refurbishment of the Sixth Form and more work scheduled for Summer 2022.

Everton Heath Primary School

Everton Heath
Primary School

Located just over the Bedfordshire border, Everton Heath is the smallest school in the Trust with just over 70 students. However, the installation of two new classrooms in 2021 has given it capacity to grow.

It has joined forces with larger neighbours, Gamlingay Village Primary (less than two miles away) and the second smallest Trust school, Offord Primary, in a new collaborative West Village Partnership. It is a catchment school for Comberton Village College.

Everton Heath Primary School is part of the newly formed West Village Partnership.

Gamlingay Village Primary

Established as a full primary school by the Trust in 2018 from Gamlingay First School, it was relocated to the former middle school site following a major upgrade to the existing buildings.

It is now a thriving school for more than 380 pupils and includes specialist primary provision for students on the autistic spectrum, many of whom go on to Comberton Village College's similar secondary offering as Comberton is the school's designated 11-16 provider.

Gamlingay Village Primary School is part of the newly formed West Village Partnership.

Hartford Infant and Preschool

Renamed in early 2022 to reflect the addition of a bespoke preschool, the team are proud of their caring, secure and purposeful environment to nurture youngsters at the start of their educational journey.

The school shares a site with the Junior School in a suburb of Huntingdon and most pupils make the natural transition across the playground before going on to St Peter's, allowing them the full educational experience within the Trust.

Hartford Junior School

Hartford Junior School has two-form entry at the start of Key Stage 2 with the majority switching from the Infant School next door.

Rated 'Good' at their first inspection since joining the Trust in 2017, they are proud of their progress in recent years, based on their ethos of 'effort, encouragement and excellence'.

Jeavons Wood Primary School, Cambourne

Jeavons Wood is one of four primary schools located in the growing South Cambridgeshire community of Cambourne and is a feeder school for Cambourne Village College.

It has more than 400 pupils in a modern, airy building constructed 10 years ago and works unswervingly to support all their pupils both socially and academically.

Offord Primary School

The newest full members of the Trust, Offord joined in 2019 and undergone significant changes with a new headteacher and the recent collaborative partnership with Gamlingay and Everton Heath.

They are the first primary school in the Trust to obtain enough iPads for every pupil after securing a generous donation from a local charity which supports education in Offord D'Arcy and Offord Cluny.

Offord Primary School is part of the newly formed West Village Partnership.

Thongsley Fields Primary & Nursery School, Huntingdon

Thongsley Fields Primary & Nursery School was created in 2003 from separate junior and infant schools built to serve families on the Oxmoor estate in Huntingdon. They joined the Trust in 2018 and with a new headteacher are developing grand plans for their curriculum., their grounds and the provision and support for pupils and their families.

Like Hartford Junior School, they are a partner primary for St Peter's School with whom they share a Governing Body.

Bourn Primary Academy

Bourn Primary Academy, a single form entry Church of England school, became the Trust's first associate members in September 2021, cementing an already close relationship with both Comberton and Cambourne Village Colleges, which it lies between.

All the Trust's services are available to Bourn, which is in the Comberton catchment, and they now work closely with all the other schools and staff across the Trust, sharing experiences and best practice.

Safeguarding Children and Young People

The Cam Academy Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Successful candidates will be subject to an enhanced DBS check, barred list check and other relevant pre-employment checks.

You will be committed to raising standards at all levels; delivering excellent lessons and enthusing pupils through your passion for the subject. We actively promote equality and diversity in our teaching and encourage our students to buy into this ethos.

Business and Economics A Level results have been extremely strong over recent years (in the top quartile of the UK) with many students going on to study the subjects at university. We had 100% achievement in 2022 (90% grades A - C with 61% at A*-

We believe that everyone should be treated with respect whatever their race, gender, sexuality, religious belief, special need, or disability. As part of our commitment to safeguarding and child protection we fully support the Government's Prevent Strategy.

Information about Comberton Village College & Comberton Sixth Form

We are delighted that you are interested in our Village College. Since opening as a secondary Village College in 1960, we have been true to our roots. We still seek to serve our community and to be at the heart of that community. The school has

developed a very great deal, but our community ethos remains.

'Excellence for All' is our over-arching aim and it is the driving force behind all that we do at Comberton Village College. A long-standing national reputation for academic excellence and outstanding opportunities for all of our pupils does not mean that we rest on what has happened here. We always want every single one of our pupils to do his or her best and always seek to strengthen our work to enable this. Ofsted inspections consistently grade the overall effectiveness of our school (including the most recent inspection in February 2013) as 'outstanding'. However, we continue to look for ways that we can improve and do more and do it better for the sake of all pupils and our local community. Our very high-quality and committed staff are at the heart of this and of all that we do.

We seek to ensure that all our pupils receive a broad and rounded education that enables each of them to become capable, caring and confident. The many opportunities available outside of the formal curriculum enable a whole range of talents and attributes to be developed in all of our pupils. These include exciting opportunities overseas in line with our aim to provide education with an international outlook.

The addition of a Sixth Form in September 2011 has enabled us to offer the same excellent standard of education now also to 16-19 year-olds. It was very gratifying that all aspects of our Sixth Form were also graded as 'outstanding' at the first time of asking in February 2013. Understandably, very many students are now making the Comberton Sixth Form their first choice for their Sixth Form years.

As a village college, we remain committed to Henry Morris' vision of the college at the heart of the local community. Our community provision is a central part of our role. We see ourselves very much as an "extended school".

Comberton Village College is at a significant and exciting stage in its development as part of a multi-academy trust. When we set up the Comberton Academy Trust early in 2011, we were determined to have a Trust based on fundamental core values in keeping with the very best of Village College and community-based education in order to deliver excellence for all pupils across each of the Trust's academies. As part of this focus on the future, we took the decision in September 2016 to rename the Trust to become The Cam Academy Trust.

The Cam Academy Trust now comprises 11 academies and we work closely with them to ensure mutual support and challenge for all of the pupils they serve.

In all cases, we see all of them as part of our over-arching remit to provide excellent educational opportunities and outcomes for all pupils in a comprehensive, community context. These core values are articulated in the values of our Academy trust. These values represent our unchanging guide through these very significant and exciting developments.

We are absolutely committed to provide the very best education possible for all of our pupils and for our local community. We trust that this website helps to give you a helpful insight into that.
