**Teacher of Design Technology
UPS / MPS
NQT applications welcome
Required – 1st September 2019**

We are a highly successful, community mixed comprehensive school with Teaching School status in a pleasant rural setting only 5 miles from the centre of Cambridge. We currently have around 1800 11-18 pupils on roll including our sixth form centre that opened in September 2011.

Our pupils are well motivated, staff morale is excellent and examination results at KS4 are outstanding: in summer 2018 the total grades at 9-7/A*-A were 42%, 9-4/A*-C were 92% with 88% of pupils achieving at least a grade 4 in English and maths. Our Progress 8 figure in 2018 was +0.78 which placed us in the top 5% of all secondary schools. At KS5, the Sixth Form's results are in the top 5% nationally for student progress made against predictors, with 36% of all grades in 2018 at A*/A grades. The school has consistently been rated by Ofsted as Outstanding over very many years; at the last full inspection we were rated as Outstanding in every measure.

We are seeking to recruit a teacher of Design Technology who can start in September 2019. You will need to be capable of delivering outstanding Technology lessons at KS3 and at KS4; it would be an advantage, although not essential, to have experience of delivering GCE A-level. We would consider applications from those seeking either full-time or part-time. Line management for the post is via the Head of Design Technology.

For further details and an application form please visit our website www.combertonvc.org.

To apply for this position please submit a completed application form and covering letter to Mrs L Atherton, HR Manager, via email on latherton@combertonvc.org by **midday on Tuesday, 30th April 2019**. Please note that we do not accept CV's.
