***NB: These dates may be subject to change***

Music: On average practical work is formally assessed once in each half term, however most music work forms part of a programme of continuous assessment which will sometimes take the place of a formal assessment. Pupils are assessed in the skill areas of appraising, composing, performing and music literacy.

DT: Pupils are taught on a subject rotational basis, completing assessments within each block of DT at the appropriate time within the scheme they are following.

Drama- every half term there is a practical assessment and a written assessment (in various forms).

PE: Pupils are assessed regularly throughout lessons and are given a formal level at least at the end of every half term.

English – units of work are assessed at the end of each half term, either formative or summative assessments.
