

To provide each pupil with up to date relevant information about option choices and the implication of those choices on their future

To expand the range of career centred activities and opportunities offered to students to suit their needs

To expand students' knowledge of today's work environment

CARRERS LINKED PSHE CURRICULUM

HOW TO CHOOSE YOUR OPTIONS

Looking at careers:

Understanding careers and future aspirations

Identifying learning strengths

Setting goals as part of the GCSE options process

ENTERPRISE ACTIVITY

Planning and carrying out an enterprise project

Reflecting on learning skills development in key stage

OTHER

- **Robotics Club:** Every Wednesday afternoon (From P5 until 5pm) STEM club robotic competition in partnership with Qualcomm sending in an engineer to help students with design and build of the robot. Yrs 9-13 involved in everything from coding, graphic design, writing the engineering notes and building the robot. Last year one year 13 student was offered a job from them in the summer as an intern.
- **Launchpad project** (pre-project visits, Application, Competition, visits to various Companies for chosen students)
- **Career guidance 1 to 1 meeting** on request throughout the year
- Visiting **speakers** from different companies during some assemblies
- **Individual yr9 Option Guidance Meeting**
- **Option evening**
- **Public speaking** at Peterhouse for chosen students
- **National Careers Week event**
- **Apprenticeship week**
- **Science week**
- **The jobs science leads to and employability skills** sessions with an external organisation on linking yr9 science to potential job/careers
